## Experience

**Loud and Clear, Orange Television Network**

**Syracuse, NY**

**August 2023-Present**

### **Co-Director and Executive Producer**

Spearheaded all aspects of production for an award-winning music video series, highlighting diverse student talent through studio-based performances • Coordinated with musicians, crew, studio and audio engineers to maintain smooth shoots and creative execution • Led multi-camera directing and technical directing • Managed post-production, editing all episodes in Premiere Pro to deliver high-quality, on-schedule content

### **Camera Operator**

Operated studio cameras and assisted with light design • Supported on-set direction and crew coordination by stepping in as Floor Manager when needed

**Video Editor, Modern Aging**

**New York, NY (remote)**

**May 2024 - Present**

Edited video content for a YouTube channel with 170K subscribers, serving as a web-based educational resource for healthy aging and health tips for increasing longevity and quality of life

**Videographer, Fashion and Design Society**

**Syracuse, NY**

**Fall 2024-Present**

Worked alongside head Videographer by assisting in setting up camera equipment, adjusting lighting, and framing shots • Captured and edited behind-the-scenes footage for promotional content and social media posts

**Video Editor, Memories Live**

**Short Hills, NJ**

**May 2022-2023**

Assisted filmmaker Kerry Glass with her nonprofit creating “legacy movies” documenting oral histories of individuals with life-limiting illnesses • Edited hour-long projects for families

**Video Editor, Dream Retirement in Mexico**

**New York, NY (remote)**

**June-August 2022**

Created YouTube vlogs and shorts from a culmination of travel and exploration footage of Mexico, promoting local restaurants and real estate in different parts of the country

**Video Editor, Booked by Iman**

**Remote**

**May 2022-2023**

Collaborated with founder to edit promotional videos for a travel advisory company focused on budget-friendly travel for people of color • Edited YouTube videos and social media content from provided footage • Completed 13 projects

---
